Dedication

Kids. Just regular kids.
Yes, the ones that go to
Grand Prairie High School.
Helping people,
Caring about what happens,
Being involved,
Taking forward steps to
benefit humanity.

Honor,
Praise,
Admiration,
To these forward steps:
Increasing understanding
among
generations,
races,
and nations.
Relieving
poverty,
ignorance,
and suffering.
And helping our nation
seek,
find,
and carry out
solutions to its problems.

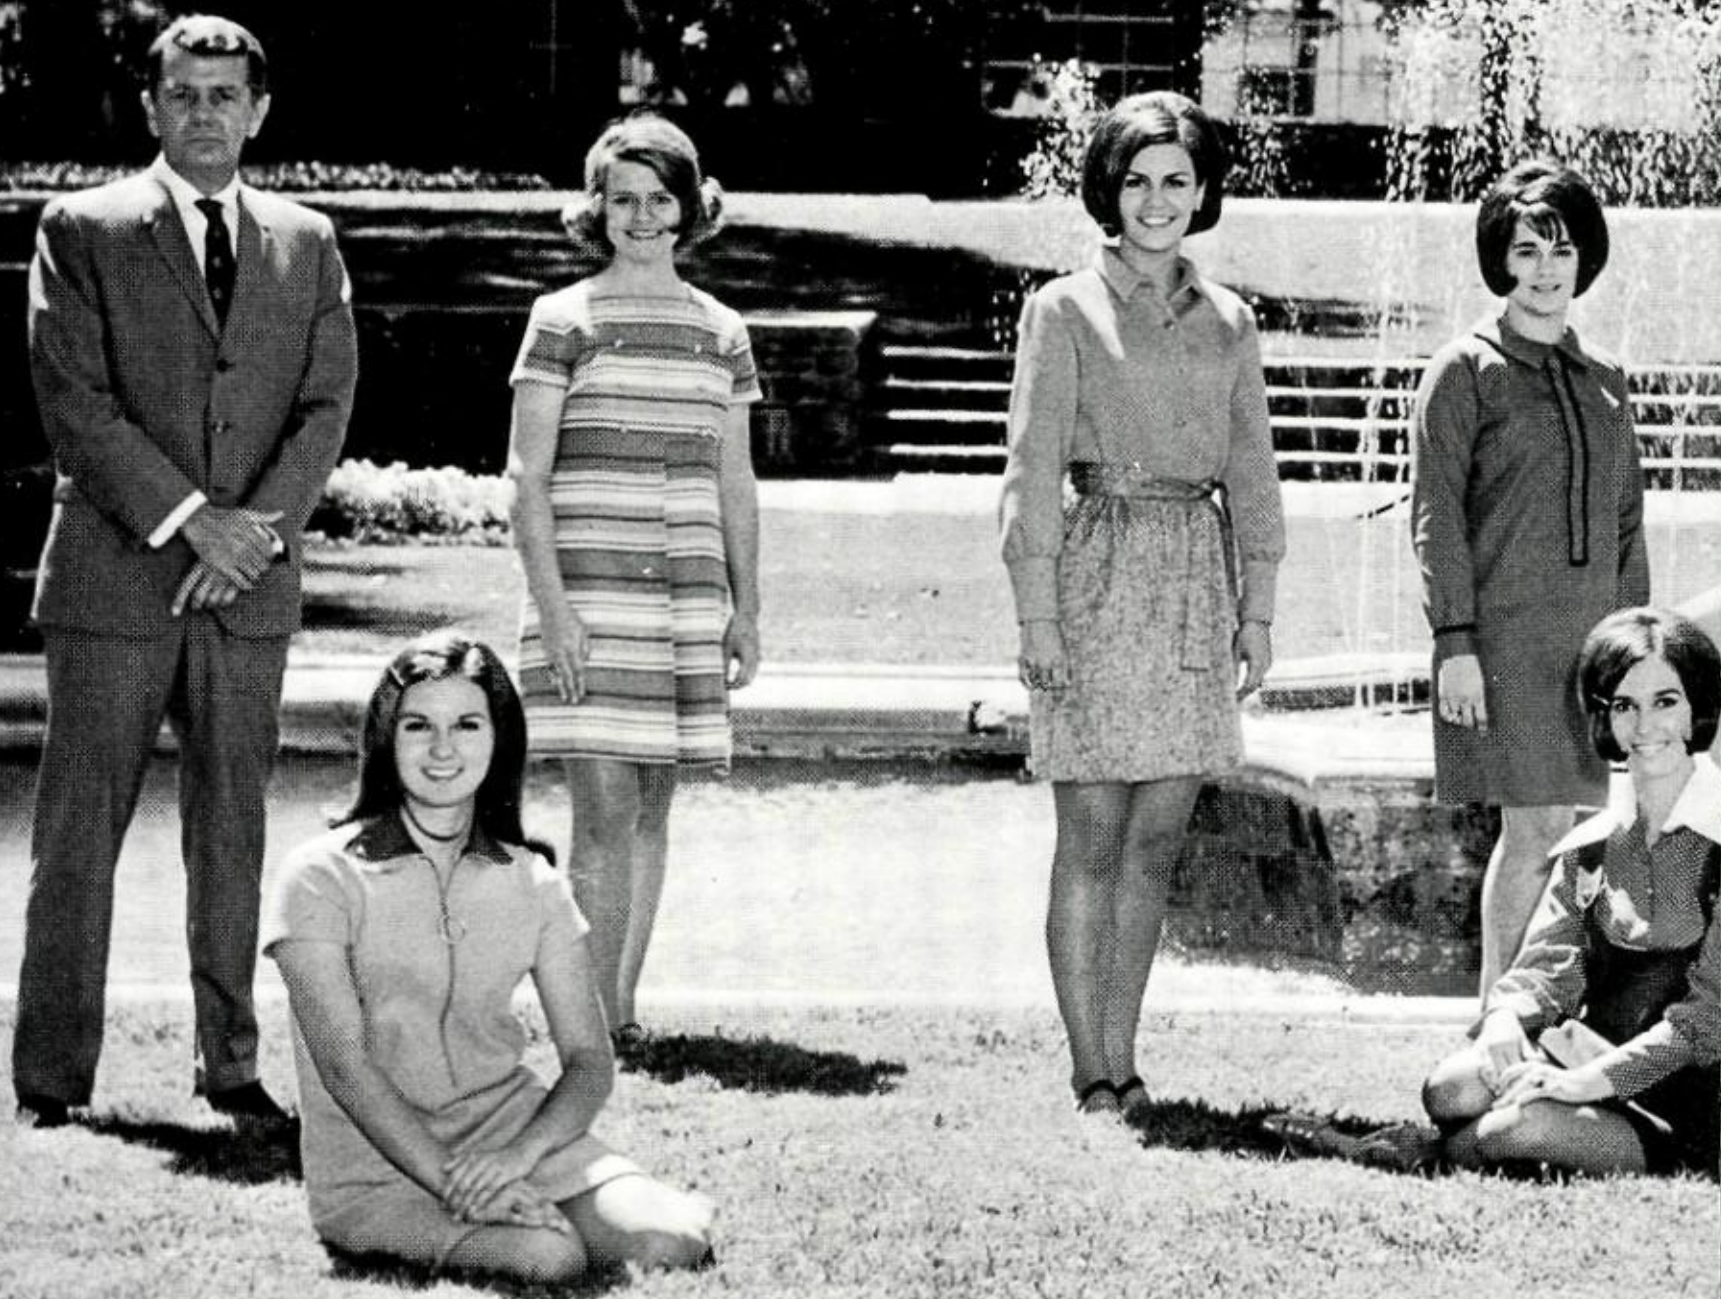

Forward Steps.
Maybe small, maybe not.
Lift us — carry us up with
our hopes.
Look quickly! A glimpse:

The dawn of a new day.
All men walking together.

Understanding . . .

One year. Grand Prairie High School. See the color, see the faces. Seems a blur. Recall a moment flashback to focus a detail. One step higher, built on solid foundation. Look back, look down. Notice — you're above it. Funny. Didn't realize you know more now. Learned a lot. Not just book stuff. Had a blast. Turn around. See the faces? Look down. One step higher? Say! Look around! Retrace your footsteps at Grand Prairie High School.

EDITORS: Cindy Tucker, Joyce Turner, Steve Gaines, Cathy Burleson, Carolyn Flanagan, Pat Adams, JoDelle Landers, Elaine Russell.

"WORKERS": Virginia Sutton, Gemmy Sweet, Kim Buford, Jacie Lanham.

Striving to maintain the best of the old and to add the best of the new has highlighted action-packed 1969 for the Geep Staff and our new sponsor, Mr. Thrasher. Gaining experience in compiling, editing, and publishing an annual through firsthand exposure has given each of us many pleasant and not-so-pleasant times, all of which are cherished as an integral part of involvement in the most fulfilling of high school opportunities, that of being a Geep Staffer.

Taking the bad with the good is most important on the Geep Staff, and the opportunity in 69 to use different techniques, layouts, and copy has been accompanied by its share of short tempers, complaints, and foul-ups. Yet when all has seemed lost, there is the finished Geep, all those wonderful people you have worked with all year, and you remember the weekends, the new Beatles album full blast, the Pipe, "erase," switch box, Denton, and the millions of happy times.

Creating, planning, working; the deep sense of fulfillment; for each Geep Staffer a feeling indefinable and priceless.

THE 1968 FOOTBALL CAPSULE

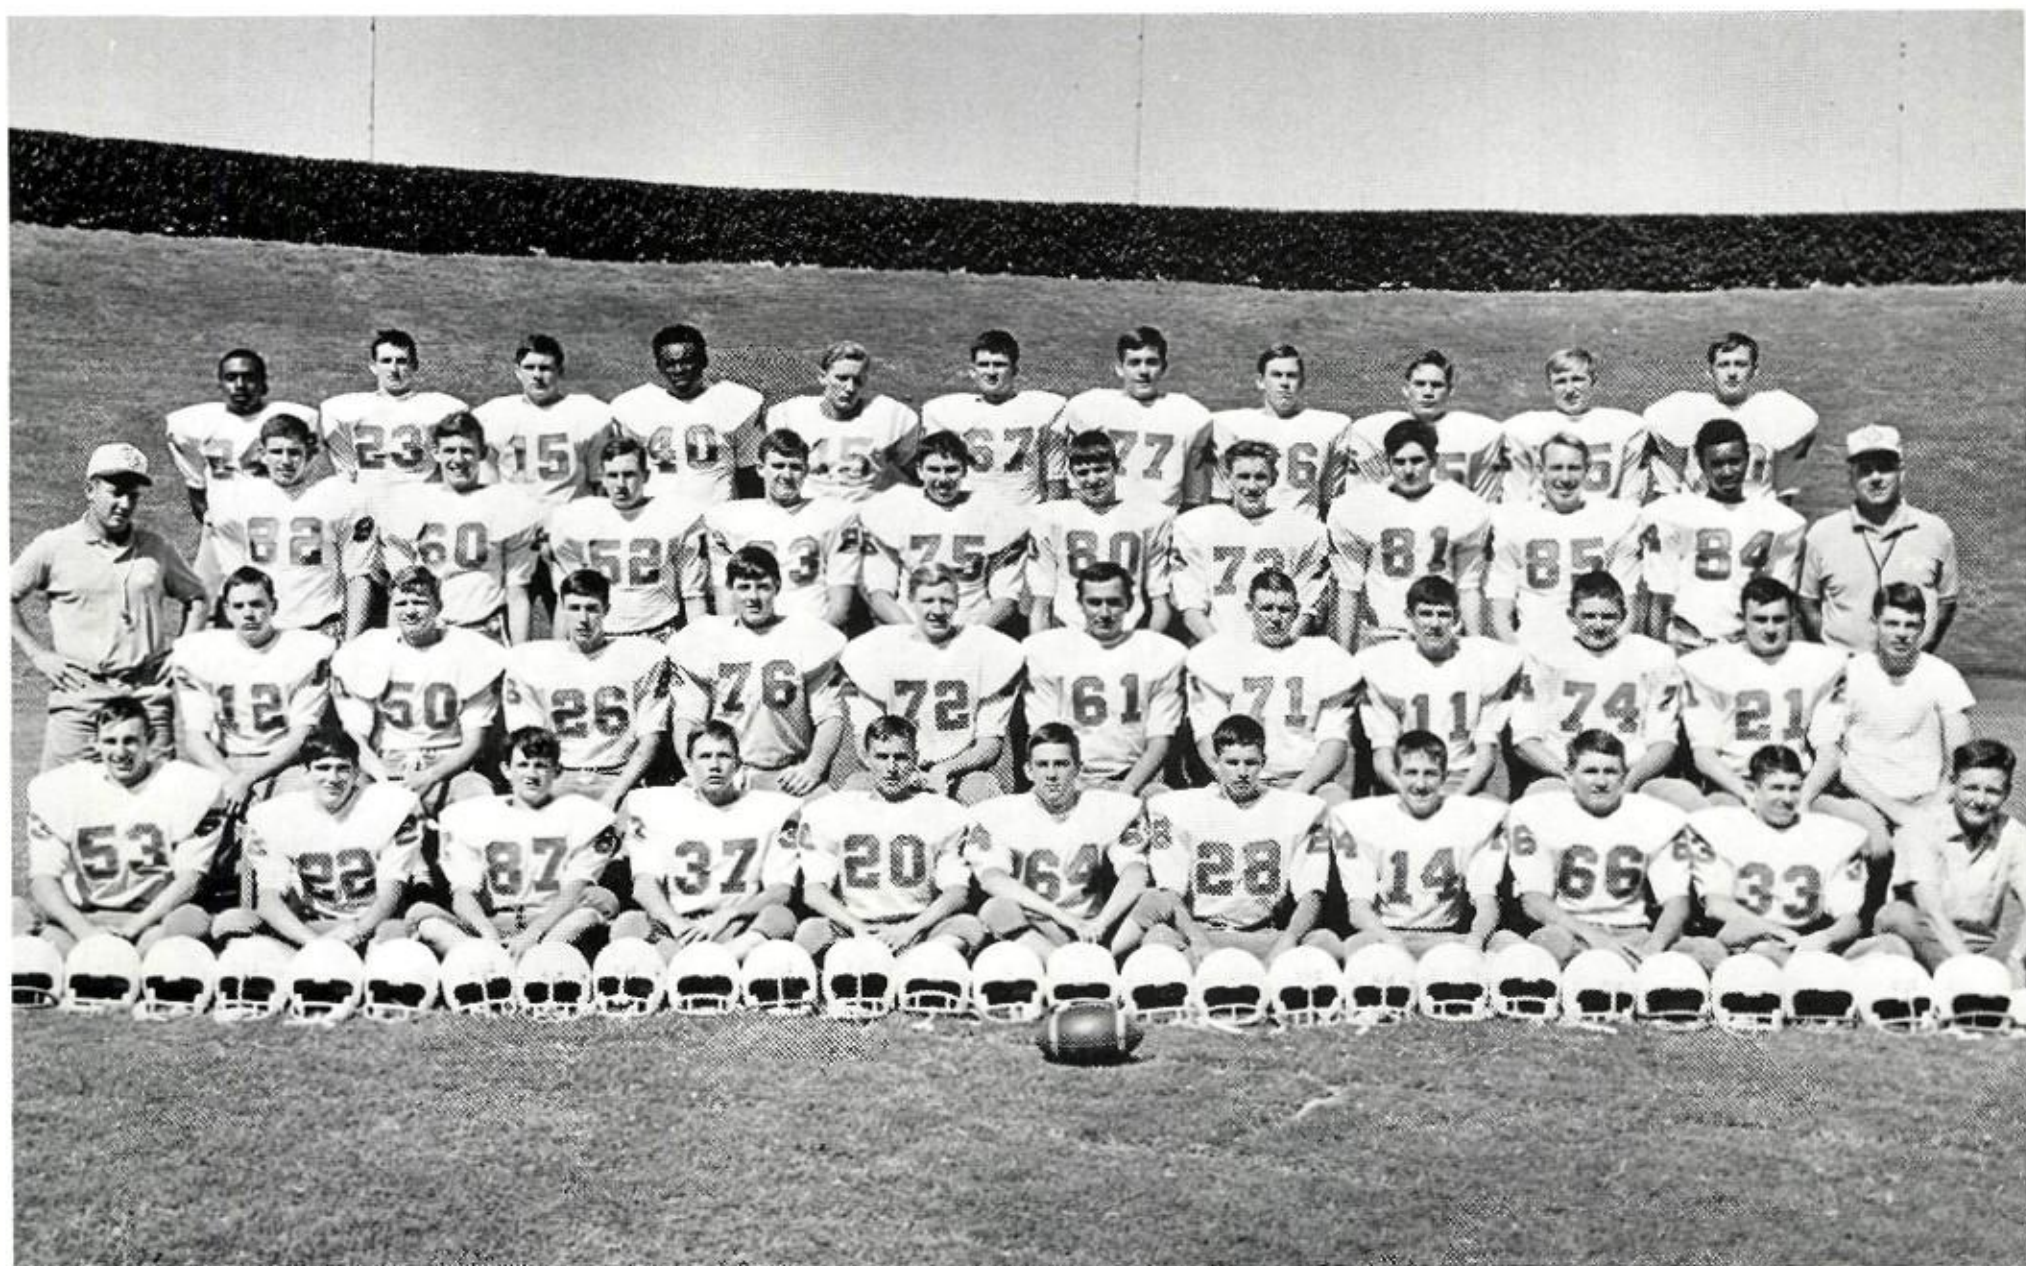

The 1968 Gopher football season started with five new coaches and a trainer and many new faces on the football team. Along with the new coaches and new team members came lots of hard practice and studying the new football techniques and plays. Although the Gophers didn't come on the winning side of the game many times they never gave up and improvement continued throughout the season. Victory, of course, is always sweet, but defeat is not always bitter. We gain much by our defeats such as good sportsmanship, character, and more determination to win the next time.

New equipment and remodeling of the field house were great improvements for the school and team. The Quarterback Club and many of the Gopher boosters can be thanked for these improvements.

Always on the sideline one could find the loyal cheerleaders and gopher guards boosting the spirit of the team and student body.

In conclusion the 1968 season has been exceptional in many ways, and one not to be forgotten by anyone involved in it.

SPECIAL EVENTS

Special Events aren't always recorded; they are as varied as people . . . the special date; the terrific day . . . Realizing your identity; developing a friendship . . . To be included; feeling warm and needed . . . Or to be an individual; and to have the freedom to do so . . . But some special events are depicted; highlights and sidelights . . . May they serve as a backdrop; on which your special events of '69 forever depict a memory.

Final Deadline

And now it is over; beginning but an instant ago . . . We walk together in the unity of friendship; our closeness making it difficult to speak . . . We feel appreciation for help from countless friends; gratitude for this opportunity . . . To you: The GEEP; a path returning to happy memories.

May you find the paths of love and fulfillment;
Follow them with footsteps of truth and sincerity.
May you always be a joy-filled traveler;
And may your journey lead to inner peace.
